## Big Ol' Dream - Lyrics

The record shows it for sure  
This is a land of dreamers, doers, and entrepreneurs  
Where big dreams can come true  
For everyone that means me and that means you

It's knocking at my door, it's worth shooting for  
This vision I see is tugging at me  
Whispering in my ear forget your fear  
Nothing you perceive is to big to achieve

### Chorus

I got a big ol' dream, it's a beautiful thing  
Makes me want to whistle and sing  
It's a beautiful thing I got a big ol' dream  
Twinkles and gleams and it sparkles and beams  
I got a big ol' dream, it's a beautiful thing  
Inspiring, I feel I can do anything (anything)

It's talking straight to my heart, this big ol' dream  
Saying if I dare, if I plan and prepare  
I'll get you flying high like a jet in the air  
I'll lift you up and sing, let me take you there

### Chorus

I got a big ol' dream, it's a beautiful thing  
Makes me want to whistle and sing  
It's a beautiful thing I got a big ol' dream  
Twinkles and gleams and it sparkles and beams  
I got a big ol' dream, it's a beautiful thing  
Inspiring, I feel I can do anything (anything)

In Tallahassee and Silicon Valley, Green Bay and LA  
In this land of ours you can shoot for the moon and stars  
In Kansas and Atlanta, Austin and Boston  
From the desert to the sea  
Anywhere and everywhere in between  
In this land of ours a big ol' dream can take you far

It's calling out my name, so I'm taking aim  
Unless I've tried, I won't be satisfied  
Everything I need is here inside of me  
To turn this big ol' dream into reality

### Chorus

I got a big ol' dream, it's a beautiful thing  
Makes me want to whistle and sing  
It's a beautiful thing I got a big ol' dream  
Twinkles and gleams and it sparkles and beams  
I got a big ol' dream, it's a beautiful thing  
Inspiring, I feel I can do anything (anything)

I'm going to find my dream  
I'm going to get my dream  
I'm going to be my dream  
I'm going to live my dream
